# SMILE NEWS

Our thoughts & prayers go out to all of those affected by the May 22nd Tornado that devastated Joplin and Duquesne. Our office was fortunate and received only minor damage. However, we know many patients who lost their homes and loved ones. We are also thinking about many of our dental colleagues who lost their homes and businesses. If you are a tornado victim and lost your retainers or other orthodontic appliance, please contact our office and we will replace them for FREE! Call (417) 206-7770.
